

I VOTE IN EVERY ELECTION BECAUSE:

A fair immigration process can work for all who value better lives for our families.

Vote for federal & state legislators • local government

Becoming a parent is a choice that elected officials should not make for others.

Vote for state legislators • judges

Affordable housing should be in reach for all of us.

Vote for federal & state legislators • local government

Schools must be well funded for all kids.

Vote for state legislators • local boards of education

Policing must be equitable without unnecessary violence.

Vote for state legislators • county & local government

Wages must cover basic needs *and* unforeseen circumstances.

Vote for state legislators • local government

LGBTQ friends and family must live free from discrimination.

Vote for state legislators • judges

Half our earnings shouldn't be required for childcare.

Vote for federal & state legislators • local government

All people deserve clean drinking water and clean air.

Vote for federal & state legislators • local government

I believe in meeting the needs of our veterans.

Vote for federal & state legislators • local government

Judges, not state legislators, should determine judicial policy, like bail guidelines.

Vote for state legislators • judges

Paying for healthcare shouldn't break the bank.

Vote for federal & state legislators • local government
